No mediator or advocate can find buildings, immigrant's hotel and laza- favour with Captain Vandeleur's agent. works are to be paid for by 5 per cent jected, and the coming winter will see bonds with I per cent amortization, more tenants on the hill side, El remedio mas eficaz, mas barato y mas cómodo

iture of one million dollars.

«exploited» for his profit.

poly of remunerative enterprises without between him and his reward. exacting from them any adequate return | It is an old, old story, and its only the immigrants they may bring over.

exploiting, him.

VACATION TIME IN IRELAND.

during the Session. Four Irishmen of co of four months's imprisonment for promoting the Plan of Campaign has recently been confirmed by the Exchequer Division. the Parliamentary victims are V. de MESTRE y AMABILE Mr. John and Mr. William Redmond; and the editor is Mr. Walsh, of the Wexford People. A Cork Correspondent describes the popular excitement which attended the conveyance of Father Kennedy to Gaol. In each case, the process of law was made deliberately injurious and offensive. The new offenders were of arrears. arrested on warrants, when it would Redmond, it seems, sincited to resistances against a sheriff. Father Kennedy League in a district where the League on behalf of evarious capitalists whose it is nothing less than an attempt to picture of gloom. names and interests are reserved for the anticipate their punishment by offering The Government is now running riot manner as the law permits. Sr. Gras work; the soldiers have always hated August 27. asks for exemption for three years from it. The few words of Colonel Turner duties on machinery, and other neces- which our Special Correspondent has saries introduced through the port of been permitted to report show with what Maldonado. The title-deeds of the lands feelings that brave man contemplates

years, the plans being duly presented done with them. How they have come and approved by the proper authorities. to have no money our Correspondent Sr. Gras also asks for a tramway con- shows. The fact of their proverty is cession in Maldonado, free of duty for beyond question, for it is attested by 10 years, and concessions for the con- every incident of their numerous appliof duty. Lastly, Sr. Gras undertakes to much as an abatement of rent. They deposite as guarantee \$100,000, to be waited fourteen months more, before

fertile, so well-situated and so compa- able terms for them, and of course his ratively neglected as Maldonado, at the proposition met with the same fate. same time, we think this project of Sr. Other dispassionate observers of position Gras requires considerable modification, have proved by their generous interpoor at all events, explanation, before it sition that they believe in the justice of should be accepted. It seems to us that these poor people's cause. It all goes Sr. Gras asks everything and promises for nothing, and the Vandeleur tenants, nothing, or next door to it. The only othe most wretched in Western Clare, one definite undertaking he makes in are again to be cleared off like vermin return for all the advantages, conces- from the soil. Their hopeless strugglo sions, expropriations and monopolies with authority is but a part of their that he asks, is the introduction of four hopeless struggle with Fate. Fate has persons for each hectarea of land. He such forces in reserve-Nature first with does not even say whether these persons her plentiful store of obstacles in the are to be introduced as freeholders, or as wild bogland, and, when these are Montovideo servants working for his profit an in- overcome and the morass has been made terests, or as purchasers on terms doubt- fertile, the landlord with his claim of less advantageous to him. Much the higher rent. The prospect is infinitely same with the tramways, railways, hopeless. Mohneen and Mohnmore, the moles, etc. he wishes to construct. All slittle bogs and the sbig, have wasted these properties, which will doubtless many a peasant's life before they conprove valuable and remunerative, are sented to yield his children enough soil apparently, for his sole benefit and to be for a scanty crop. The earth has to be made there, inch by inch, and before you In short, the scheme, as it stands, is can begin to make it you must drain to an excellent one for filling the pockets the foundations of slush and coze, The of Sr. Gras, and the evarious capitalists peasant toils to and fio for sand and whose names are reserved, by easy seaweed, to make a something where means, putting them into possession of nothing was before, and when he has valuable lands and giving them mono- made it the inevitable rise in rent comes

or securing any promise or protection to novelty is in the illustrations. There is Partill's case, and it is sad enough. The Since Sr. Gras and his anonymous bog and the landlord between them have friends are in the possession of so much worn Partill out, and he is now testing spare capital which they are anxious to the truth of Mr. Carlyle's saying that wo Single column per centimeter per month \$1.00 gold invest in good land or paying enterprises have all eternity to rest in. Forty years let them invest it without seeking Go- ago the rent of Partill's farm was 81. 1s.; vernment protection or making preten- seven years later it was raised to 181.; ces of fomenting colonization. If on the another rise carried it to 201., and there other hand, they are really in earnest in Partill appears to have broken down. the matter of colonization, let them Partill had beaten the bog, but the prove it by producing a project which landlord seems to have been too much nents in the Argentine Republic with 50 per cent shall be more definite and less grasping, for him, M'Inerney is about to succumb and which, whilst securing a fair chance in much the same way. M'Inerney has of moderate interest on their capital, shall also give proper guarantee for the fortune; and now that he has given it a carrying out of the enterprises under- topsoil he is to go. They have offered taken, shall be of benefit to the country him some terms which are conditional and shall properly protect the interests on his having twice as many pounds as and future of the immigrant without he at present has pennies in the world. The rents go up; only the people go

> Our Correspondent quotes case after case of augmentations of fifty or a hundred per cent., and oven more, that The Irish gaolers will have but a short are beyond all possible increase of prosvacation this year, for Mr. Balfour perity on the tenant's part. The poor evidently means to keep them as busy consolation is that it was all forescen. If during the Recess as they have been the Act of 1787 had dealt with arrears during the Session. Four Irishmen of these evictions might all have been position were arrested yesterday, two of avoided. The most burdensome accumuthem members of Parliament, one an editor, and one a priest. The priest is the agricultural depression, and in spite of every warning the Act was deliberately made to deny relief. It was used on the contrary as an instrument of positive oppression. Notices were issued by the thousand last year to convert holders into caretakers, and thus to absolutely destroy their slender interest in their holdings. The glaring defects of the Act were not remedied by the narrow view which the Courts took of their own power to extend the time for the payment

The measure which promised relief by have been perfectly easy to secure their extending the payment of arrears over a attendance by summons in the ordinary term did little or no good, for in many way. Their alleged offences were certain. instances the term was no longer than a ly not of a nature to justify a method year. The Irish tenant was in fact left of procedure which is usually reserved to the tender mercies of his landlord, and for criminals of the worst class. Mr. we see the result in the deplorable scenes Walsh and Mr. John Redmond are which our Special Correspondent has charged with having taken part in an lately described. His work, it is to be illegal meeting held more than a month fearel, is not done. The battering ram ago, and for conspiracy. Mr. William will soon be out again, and soon more old women and children, witted and halfwitted, will have no shelter but the attended a meeting of the National hedge. It is impossible to think without a shudder of the winter prospect in Irehad been nominally suppressed. The land this year. It must exceed in misery We have received a copy of the project brutality of their treatment before trial even the prospect of to-day, yet it would made by Sr. José Gras, Oriental citizen, is of evil omen for what is to follow; and be hard to deepen the colsars of that

moments for the formation of colonies in them a most unmerited indignity. The in the sense of freedom from all Parliathe littoral departments of Rocha and law might have secured their attendance mentary control. The arrests of ves-Maldonado. Sr. Gras asks for the ex- whenever it was wanted; and in thus terday are evidently but a beginning. propriation of 100 square leagues in the taking them by the collar, like thieves and at this rate we may have all the first named department and 50 in the or cut-throats, it is without a shadow of Parliamentary representatives of Ireland second, at his proper cost, and to com- excuse. While these things are going on in gaol, on one frivolous charge or mence within three months from the in Cork and Wexford, there will soon be another, before the opening of the promulgation of the decree, concluding a renewal of the eviction campaign at Session. If something still more startwithin two years. On this he will place Kilrush. It is all to begin again, and ling do not happen before its close, it an agricultural family or group of four Captain Vandeleur has only stopped for will be the fault of members, or of the individuals for every 50 hectareas. The breathing time. The police and the constituencies whose voice they ober. form of the colonization will be reserved soldiery will require a week or two's The worst Administration of modern to Sr. Gras who will be governor of the notice to mobilise, that is all. The very times ought not to be suffered to hold colony, or vendor of the land in such policemen are growing ashamed of the office for another year .- Daily Neice.

EXPRESSIONS

-The discussion of the candidates to when he proves the expenditure of a time that Colonel Turner's disgust for the Uruguayan Presidency is concluded million dollars in the establishment of his task, and pity for his victims, have in Wednesday's B. A. Herald, the last one treated being Dr. Garcia y Lagos, Gras is to be authorized to make con- attempts to avert a renewal of this most Minister of Foreign Affairs. Our contracts in fixed sums for Port Works, calamitous process have proved unavail- temporary finds a great deal to say in favour of this statesman, ranking him as second best candidate to Vice-Presiretto, market, sea-baths, etc., which One proposal after another has been re- dent Torres, but considers that his chance of success is not great because he belongs to the «blanco» party, which issued at 90 per cent of their value. The unhappy creatures have no more does not at present command the politics These works all to be concluded in four money, and the agent has accordingly of the country. So ends the tale for the present.

-We publish today the London summary for the dates August 28, 29 and 30. The papers for August 25 to 28 have not struction of various railways, all the cations for relief. They waited for more yet turned up. Patience is a virtue very necessary when dealing with the River Plate mail services.

-We suppose in course of time one returned when he proves the expend- they asked for a remission of arrears. A may become reconciled to the upside-Government official proposed a settle- down and cart-before-the-horse way of Whilst we would be only too pleased ment which, he admitted, would tax their doing such things as these and others to lend our approval to any scheme for resources to the uttermost. It was unnecessary to ennumerate. We are still genuinely furthering the Colonization of rejected by the agent.
