whom we have had so much good cause accused or suspected. Should be unfor- to find fault of late, is showing signs of tunately arrest an innocent man, or relenting. Vesterday and Sunday were as fine days as anyone could wish to see -We would call the attention of those ignoramuses who persist in building houses where the rooms have no obtained from that official, the injured windows and who religiously shut every ndividual may apply to Congress, if it ray of sunlight out of their chambers, should happen to be in session, and, if to the fact that darkness is physically not, he must egrin and bear its till the injurious as well as morally and metaphorically so. Any physicist will confirm Costa's exact words, but, undoubtedly, the statement that sunlight increases the rate of respiration and consequently causes a higher level of life.

-If the Sojo case has deno nothing else, it has served public interests in proving that Buenos Aires is practically without Habens Corpus. The further the case goes the more discreditable does it appear to the authorities. If the law is really in the mixed and contradictory state that Dr. Costa's decision would make it appear to be, the sooner it is reformed the better for the good name that he cannot come out without being of the Republic and the safety of all its inbabitants.

-Says the B. A. Herrid with no little truth,- «Argentine ladies weep showers of tears, tramp the streets with petitions obeying the summons to attend before to save the necks of convicted murderthe Commissary, and he assumes that ers, but never to procure a trial and Sojo had actually threatened to kill meetly for the prisoner, including the -For once El Bien has initiated an

idea to which we can give unreserved applause. It calls for the abolition of those vile dancing saloons, known by the name of academies, that infect certain quarters. There is only one adjective to describe the scenes nightly enacted in said in their defence, not even that they are a «national custom,» and the sooner they go the better.

-Tao Siglo of Saturday ovening published another letter of English impressions from Dr. Gorostiaga. Although it is ovident that he could not quite (grasp) London, he sems to have been very deeply impressed by a visit to the factories of Manchester and the docks of Liverpool.

-Says the Doctor,- «The surprise has not yet left me. A certain sentiment of admiration for England begins to enter my mind, a sentiment that look on not without fear. (Nothing to be afraid of, Doctor.) London does not seem to me a city, a capital, in the general conception of the terms, it seems to me a nation. England seems not a nation so much as an entire world. >

-Dr. Gorostiaga's letters are interesting in that they are the production of an intelligent and highly educated but untravelled Argentine. We hope to see them continued. The publication of the unbiassed evidence of such a man should do something to remove the River Plate prejudices against English-

The Imperial marhinero had reason to believe that the arm found appears to be far more dangerous in

WHY HE LEFT.

A TALE FROM A «PUB.»

After much talking and many drinks, which made the smiling landlord's heart rejoice, the long fellow having emptied for of his wife on July 27th last, was acquitt- the third time his pint tankard, coughed. and, twisting the empty vessel round suggestively, asked, . What made you leave America the', Dick? You said you were doing so well there! Dick's single optic gleamed viciously a moment, and then toned down as he answered, putting on a bit of 'Merican twang, . Wal it was just this way; it is the solean truth, and don't you forget it, letting out a wicked eved wanderer continued:-

*After I landed in 'Merica I knocked about a bit, working in a grocery store ontinual stream of passengers early mornings and late evenings; middle day her child, and was carrying the dead in- dollar or so. Any check on the takings, fant in her arms. What in the world are Dick to enquired the clean-shaved, cynical the police doing that so disgusting a party, who never liked anyone to spin a yarn except himself, and got most -- According to the observations male indignant at any interruption. Dick

. As I remarked, I was pretty comfortable, and doing fine, when the directors laid down a plate at the entrance which registered the number of passengers -From recent correspondence ex- crossinz, and this dog-gounced fakement changed between the minister of war caused me to skip the country. You see, and the chief of police of the province one day I had had to sub, from the boss of Rio, it appears that when a man is too several dollars when trade was quiet. I had to servo as a policemun, he is sent to was standing waiting and watching, enlist in the army, Truly, the position when up comes a huge 'dawg,' cross betof a Brazilian army officer is not a bed of ween a bull and mastiff, and sat himself down on the tale-tell plate. I triel to call him off, as I saw he intended to make a ly flagship of the Pacific squadron, arriv- stay, but no use. I then tried to chase him off, but a show of his white, strong teeth, and an ominous growl, made me go slow. He then cocked up his left hind leg, and commenced scratching his left

*After a good twenty minutes of this performance he changed legs, giving me where he became an ardent advocate of yet,' and resumed operations, and rushed to look at the register, and found

-The minister of anance estimates the blankety, blanky, blank animile had he general receipts for next year at scratched up against me three hundred

The silence that fell on the crowd was uncertain deposits, and by ignoring many the flowing bowl once again, and the long fellow muttering, . The truth, the whole truth, and nothing->
